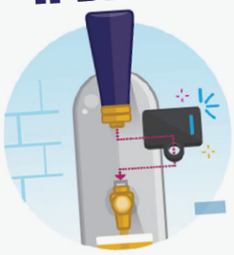
BruVue

- ELIMINATE LOSS WITH REAL-TIME INVENTORY -

Save time. Reduce costs. Delight customers.

BruVue is the only beverage inventory system on the market where sensors can be ordered online, received in the mail, dropped on beer faucets, and set up on a smartphone in minutes.

1. DROP



DROP SENSORS ONTO YOUR BEER FAUCETS

2. SETUP

INSTALL THE APP IN MINUTES

3. ENJOY

APP DISPLAYS DATA IN REAL-TIME

A bird's eye view of everything that matters.

BruVue keeps track of inventory and brew performance, automatically.

Ridiculous savings

> "Throughout these last 12 weeks, I've saved over $350 on just one brand of beer alone!"
> — Owner, Hilltop Lounge, Cleveland Heights, Ohio
