

SAVE \$50/MONTH PER TAP FROM UNACCOUNTED LOSS

Reduce costs

MATCH ACTUAL POURS TO SOLD BEERS - Reduce waste and theft of unsold beer.

REDUCE DOWN TIME - Our sensitive, patent-pending technology enables real-time inventory tracking of keg levels.

EARLY ISSUE DETECTION - Tackle line problems before they escalate with actual data from abnormal beer flow.

RISK-FREE INVESTMENT - No need to purchase bulky scales or expensive flow meters; simply pay by the month.

Save Time

MANAGE MULTIPLE LOCATIONS FROM APP - Get real-time keg levels anywhere at any time.

ON-DECK KEG SYSTEM - Set your lineup ahead of time on your smartphone.

EXPEDITE ORDER SHEETS - Real-time inventory of all in-stock kegs allow you to know exactly what you need to order.

INSTALLS IN MINUTES - Simply unscrew the tap handle and drop the BruVue sensor on.

Improved customer Experience

DISPLAYS ON YOUR TVs - Allow patrons to join in the fun with current keg-levels and availability.

SET THE PERFECT LINEUP - Personalized reports give insight into your most popular brews.

MINIMIZE WAITING - Real-time inventory puts an end to the unforeseen kicked keg.

"SORRY WE'RE OUT OF THAT" WILL BE A SAYING OF THE PAST! Patrons will always know what's on tap.
